Medium Cleats (8")	\$8.64	

We have a full line of docks available to meet a variety of lake conditions. You can choose to have your system built standard framing lumber or pressure treated southern yellow pine for additional years of enjoyment. All of the connecting hardware will be of the noncorrosive type

We do require a deposit of approximately 20% to begin construction of your dock system. All dock prices include delivery to a paved launch on the Great Sacandaga Lake. Other areas will have a delivery cost based on your distance beyond the lake.

Above is a listing of typical dock and ramp sizes indicating their prices, along with some of the more common accessories and features. Keep in mind that we do manufacture a variety of custom docks and accessories. Feel free to arrange for a planning session to assist you and your family in deciding which dock system is most suited to your needs and budget. Soon after that, you will be enjoying your Brownell Lumber Co. dock and the summer season.

As a special off-season incentive, we offer a 10% discount for all dock orders placed between October 1st and March 31st for delivery in the spring. Place your order early and receive your dock as soon as possible!

Complete Line of Docks & Accessories Since 1964
